**Rental Library**—Eddie Morris carries a stack of books. John Pikorz, hall guard, is indifferent to danger.

# EVERYBODY TAKES ENGLISH

**Radio Speech**—Don Roupe talks into the mike; Bob Doster operates the recorder.

**Acting it out** in Miss Poole's class—Gary Gregoire, LeRoy Ferry, Judy Harris, Lynn Cavanaugh, Gail Allen; Standing in the rear—Dick Major, Elton Seibert, Bill Cypress, Robert Kooy.

**Word study** in Miss Russell's class—Judy Strahl, Bonnie Grugett (seated), Paul Reimer.

English at Thornton is not all nouns, verbs, and adjectives. In addition to these puzzlers, many freshman and sophomore classes study grammar and literature via skits and charts. Juniors have compositions and English literature; seniors study more "comp" and American literature.

Seniors who have maintained a B average in English their first three years may elect yearbook, journalism, or radio speech. In speech, they learn to apply principles by "broadcasts from the studio." In yearbook, the class publish the annual THORNTONITE, for which they sell advertising and write and edit copy. In journalism, the class becomes the staff of the weekly newspaper. Theirs are the problems of reporting, editing, and business management.

The rental library houses sets of texts and supplementary reading for the entire department. It is manned by student assistants.

**American history**—A discussion by Bud Starr, Marla Perkins, Joyce Walter, and Roger Burge. (Mr. Satterthwaite)

# SOCIAL STUDIES TRAIN

**Psychology**—Glenda Buss speaks to Mrs. Dierdorff's class.

**Committee at work**—Freshmen learn to plan together—Alice Pala, Kay Lawrence, Walter Zukowski, Pat Hannagan, Sharon Szlaius, Todd Haines. (Mr. Stegmeir)

# CITIZENS

Thornton's Social Studies Department places emphasis on citizenship training.

Freshmen are oriented in Social Studies I. They learn the traditions and regulations of Thornton, study national and world problems, and discuss personal matters like dating and the techniques of driving a car.

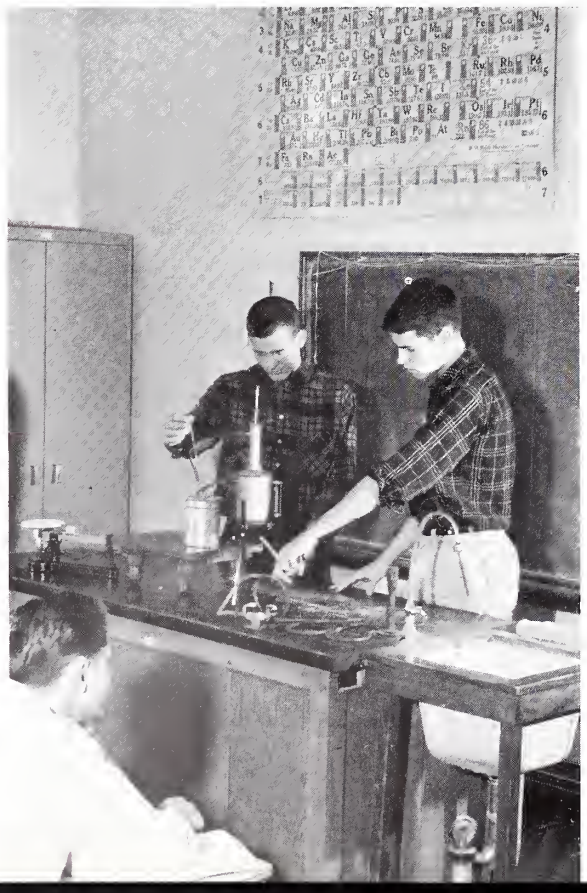
In other courses, like history, economics, and psychology, students take part in panel discussions, work together in committees, and do individual or group research.

A series of surveys, known as the CEP (Citizenship Education Project) has resulted in good public relations between student and community.

**Current problems**—Dennis Hinkle uses a Suez map in history class. (Miss Barmore)

**Senior Biology**—Mr. Brookley lectures to his class.

**Physics**—Tom Chulibrk and Dave Cornwell demonstrate taking the specific heat of steam with a calorimeter. (Mr. Adams)



# SCIENTISTS ARE

**Chemistry**—Taking part in a condensation experiment are Rose Marie Belmonti, Dave Butler, Anita Kracik, and Bob Callis. (Mr. Harms)

**General Science**—Making charcoal—Leonard Fiocca, Bob Burdett, Mr. Opperman, Garry Pruitt.

# IN GREAT DEMAND

In this age of science, with our nation at the head of world powers, scientists are in demand. One need not be an Einstein just to study chemistry or physics, but students with scientific aptitudes can find plenty of encouragement. Special courses in physics and chemistry, designed for active students, are being offered.

The curriculum includes general science, where the freshman learns basic facts of his daily life It includes biology to give students an inside view of the world of plants and animals. Chemistry lab, they find, is the place to learn what not to put too close to a Bunsen burner. Physics is a study of more specific facts about matter.

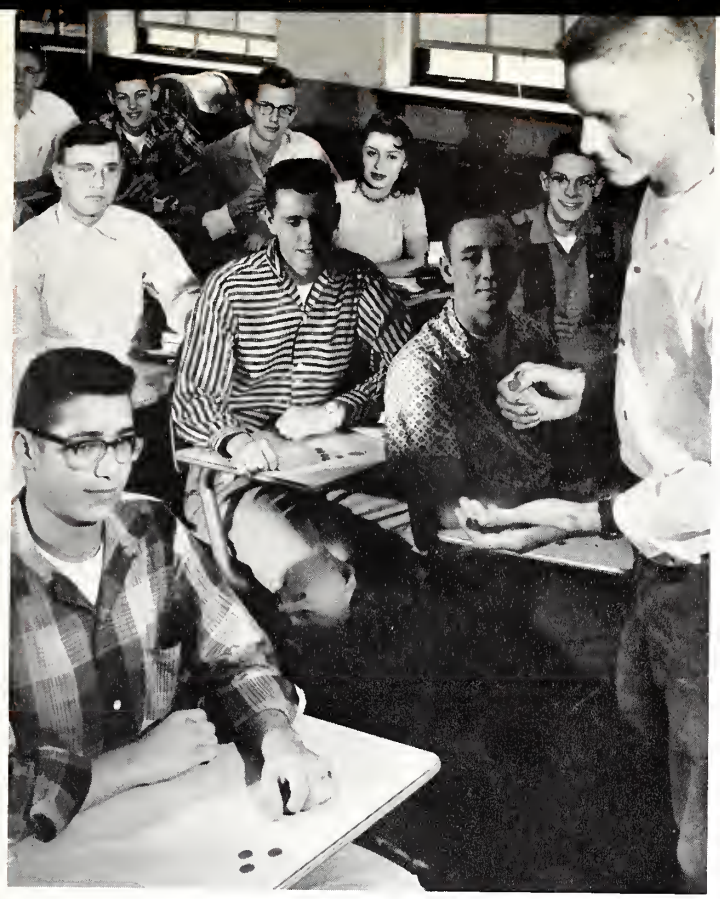
# MATHEMATICS INCREASES IN POPULARITY

Bigger classes, more of them, and more students majoring in mathematics is today's trend. Thornton is keeping up with the demand.

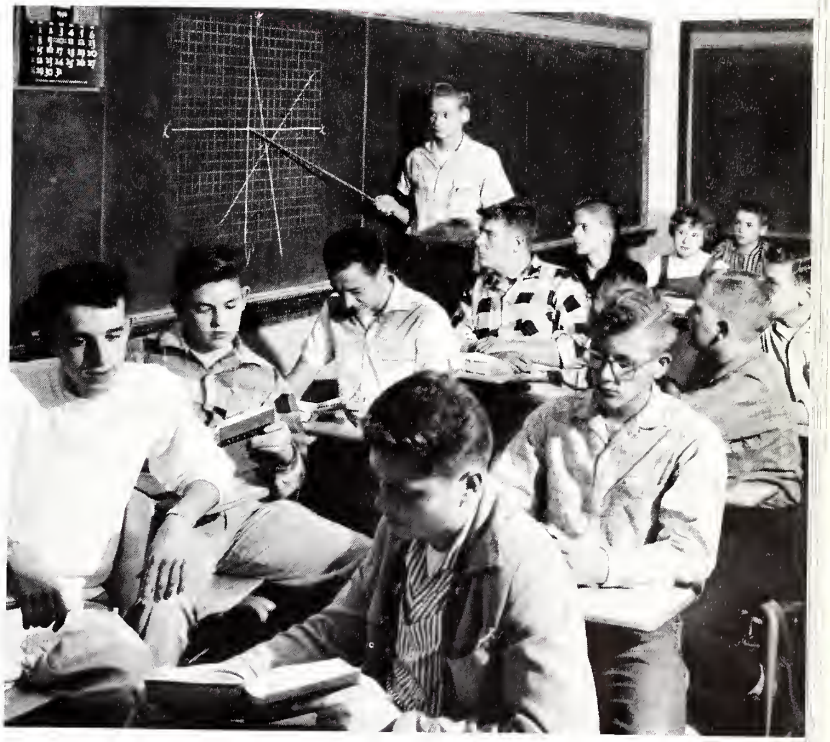
Since colleges now require at least two years of math, TTHS offers college preparatory courses. Algebra and geometry, both elementary and advanced, are for them. Students planning math majors in college, as in engineering, will take four years of mathematics in Thornton.

For students not planning to go to college, there is Practical Mathematics. Here are presented such problems as buying and selling a house, buying and operating an automobile, buying life insurance, purchasing on the installment plan, saving and investing money, paying taxes, and making practical measurements in work about the house.

**Math II**—Georgeann Thyer demonstrates to Mrs. Harms's class a locus of a point, as Geraldine Stephens and Ernest Davis watch.



**Math IV**—Heads or tails? How many times out of a hundred? Jim Higginson, Bob Doster, and the others try out the theory of probabilities in Miss Seebach's class.



**Math I**—Ken McConnaughay demonstrates a graph. (Mr. Dore)

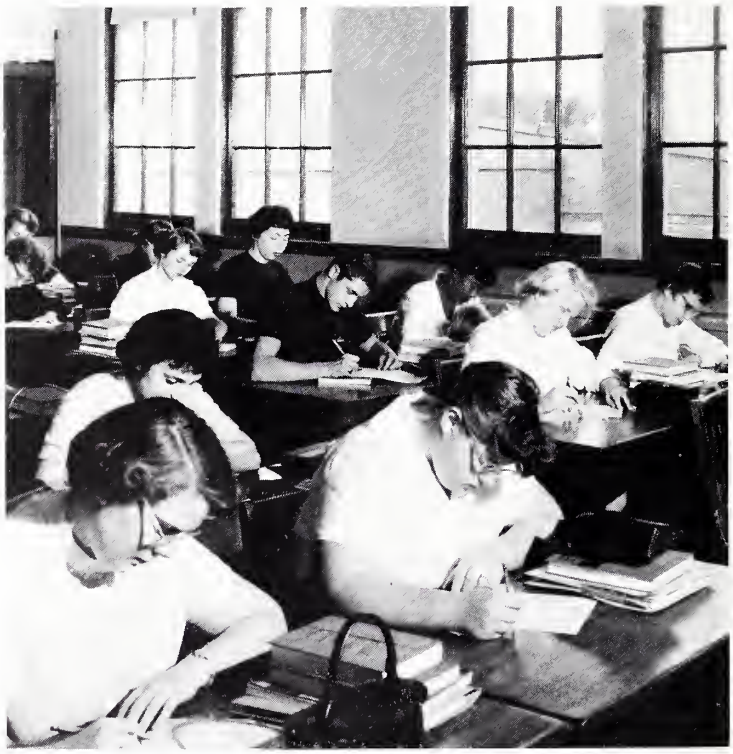
# BUSINESS TRAINING IS INVALUABLE

A business course is for everyone who wants to become an intelligent consumer and producer of goods and services. Limitations of budget and facilities at TTHS make such a course possible only for those who want business for a career.

Junior Business Training is an introductory course for freshmen. They learn about money and banking, credit, insurance, and record keeping.

Specialized training is given in advanced courses in typing and shorthand, bookkeeping and clerical practice, and in retail selling. Secretarial Practice acquaints students with many types of business machines.

**Bookkeeping**—Mr. Clark's class takes a test.



**Secretarial Practice**—In Miss Sowers' class, prospective secretaries use business machines.

**Shorthand**—Carolyn Hupe (front), Carol Higginson and Joyce Walter (rear) transcribing in Miss Sundstrom's class.

**German**—Mike Burr and Ron Williams converse in German before Miss Hills' class.

**Spanish**—Sharon Overman addresses Jim Kanger, Jim Naylor, and Pauline Siemon, while the rest of Mr. Avery's class kibitz.

**Latin**—Hal Whipple recites at the board in Miss Henderson's Latin class.

# WORLD CITIZENS NEED LANGUAGES

Thornton's foreign language department offers four years each of four different languages—German, French, Spanish, and Latin.

A two-year course of a foreign language is a requirement for the academic course and a prerequisite for college entrance. Students who plan university majors in science, medicine, engineering, and other technical courses, as well as language majors, will need more than the minimum.

Students in German, French, and Spanish learn to speak the language as well as read and write it. Latin, being no longer a spoken language, is studied for its influence on our own English language and culture and on the life and customs of other nations.

America's position in world affairs means enlarged opportunities for its language students.

**French**—Jacqueline Akers and Gary Gardner explain a map of France to Miss Musson's class.

Left. **Foods**—Mrs. Miller's class watches a muffin demonstration.

Right. **Clothing**—Cutting material in Miss Gantzert's laboratory.

Left. **Clothing**—Miss Ford's advance class handles bigger projects.

Right. **Foods**—Miss Miles's class eat what they bake.

# HOMEMAKERS LEARN NEW METHODS

Would you like to make yourself a new dress or suit, cook a meal fit for your favorite king? Then just enroll in a homemaking course.

First-year foods classes are taught the principles of nutrition and health. First-year sewing classes concentrate on making tailored skirts and tailored blouses.

Members of the second-year foods classes learn current techniques in buying, storing, and preparing ahead. They make a study of dishes to be prepared in advance of serving day and then put theory into practice at faculty luncheons and in holiday dinners for their own homemaking class. They take turns at preparation and serving at these affairs and in being host and hostess.

**Tom Craig** operates the potter's wheel.

# ARTS AND CRAFTS OPEN NEW FIELDS

**Jewelry**—Rose Marie Sarna, Charlene Fisher, drilling; Betty Ledford, Bruce Allen, Sally Toigo, at the table; Ann Garlock, Jackie Kostenski, rear.

**Silk Screen Printing**—Rose Reyelts, Honore Keys, Barbara Nolan, Sandra Anderson, Lois Mueller, Lynette Eke, Douglas Carmichael, Jerry Lanham, June Ericson, Linda Lewis.

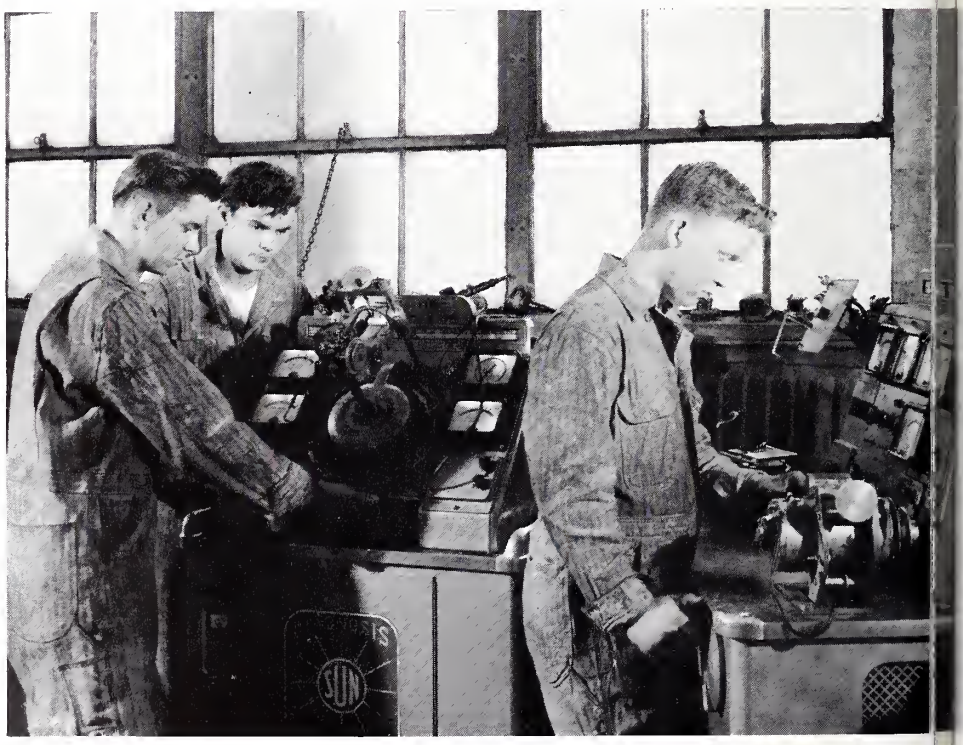
Continuing with our inventory we now come to a very important and popular department in the school, namely the Art Department.

To them goes the credit for all the corridor posters advertising dances, games, and banquets. They also make the beautiful Christmas decorations in the halls, and the ornaments for the tree. An amazing amount of time and effort goes into the making of these decorations.

The department offers drawing and painting, ceramics, handicraft, and jewelry. A student may elect any of these courses for which he feels himself best suited.

Art classes give students a chance to express themselves by beauty. Whether this expression comes through chalk and brush, clay or metal is immaterial—the chance is there and it can be made to serve others.

**Wood Shop**—Joe Lloyd operates the circular saw.



**Vocational Shop**—George Vrbancic, Robert Vanderborg, and Daniel Purnell use the Sun testers.

# SHOPS GIVE INDUSTRIAL TRAINING

Thornton's Industrial Education Department offers a modern vocational shop program.

In the electricity section, boys are trained to become electricians and electrical repairmen; in auto mechanics they repair cars and learn to operate some of the equipment used in an up-to-date garage. In drafting classes boys learn advanced mechanical drawing; machine shop turns out boys who can repair different kinds of machines.

Boys enter the vocational course at the beginning of their junior year and remain there for two years. Diversified Occupations offers on-the-job practice with in-school theory. Employers in the community sponsor these boys. A special coordinator on the faculty makes the contacts and checks on the performance.

**Drafting**—Guy Chiatello works with the drafting machine.

Have you ever wondered just what students do train for in the Music Department? Many of them plan to become music teachers in public schools; others want to play in dance bands or to have dance bands of their own.

Some students train to sing or to play instruments just for their own satisfaction or as a way of entertainment at small parties and gatherings. Others start community orchestras or ensemble groups such as barber shop quartets.

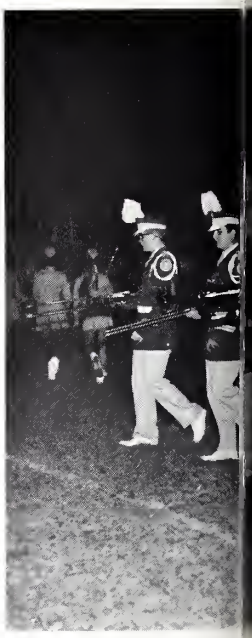
Besides four full-time faculty members, Thornton employs private teachers who give individual lessons to students who want them.

Within the regular school curriculum, students have music opportunities in eight choral groups, four bands, and two orchestras.

**Color Guard**—Gerry Urban, Alan Fancher, Tom Hinkey, Leon Redman, John Steele.

# MUSICIANS TRAIN

**Band Director** Lyle Hopkins uses his walkie talkie to give instructions at rehearsal on the field.



**Violin practice**—Judith Chapman, Sharon Eylander, and Harold Wills practice in Studio A.

# FOR HOBBIES AND VOCATIONS

**Marching Band**—Band maneuvers were an important feature of every Thornton football game.

**Archery**—A sports class on the south field. Joyce Walter, Georgia Stier, Joyce Rinkema, foreground.

# GIRLS FOLLOW HEALTH PROGRAM

**Swimming**—Miss Leonard uses JoAnn Drolet to demonstrate the Australian crawl.

**First Aid**—Janice Black bandages Ann Fanelli as Elaine Marovich and Ann Wilck look on.

**Dance**—Phyllis Brown and Linda Godoy demonstrate a step for the class.

Girls at Thornton take physical education five days a week for all four years. Physical examinations by doctors are given to all freshmen and to new students.

As a result of these examinations girls are classified into those who are physically able to take any activity desired, those who may take any activity except intramural competition, and those who must have a modified program, a rest program, or individual corrective activity.

For the large majority who may take any activity, there is plenty of variety. Beginning with simple group games and relays, they go on to exercise, marching and running, to team games, tumbling, and folk dancing, to swimming, land sports, and health problems.

**Speedball**—A popular game for girls when they can be out of doors.

# BOYS GAIN STRENGTH AND AGILITY

Top: **Archery**—Terry Francis, Carmen Napoli, George Armond.

Center: **Tumbling**—Dennis Forbes coming over the horse.

Bottom. **Advanced Tumbling**—Larry Iwema on the trampoline.

**Badminton**—Bill Beluschek shows Mozell Turner a serve.

**Gym class**—Tiny Huddlestun puts the boys through their exercises.

Boys physical education, in daily classes, is required for graduation from Thornton. Freshman and sophomore classes change to and from basketball, swimming, tumbling and wrestling, volleyball, health or first aid, and dodgeball every seven weeks.

Upperclassmen may follow the regular schedule or they may choose individual sports. Since activities in individual sports emphasize choice, boys work on outdoor favorites such as tennis, golf, archery, and casting whenever the weather permits. Of course the largest gains in strength and agility are made by the members of advanced tumbling and weightlifting classes.

**Prop room inventory**—Anita Jones, June Cage, Mr. Essen.

"Lo and Behold", a three-act comedy by John Patrick, was presented by the Boys Club and Girls Club, on Saturday, November 17.

The cast consisted of eight people; the action centered in the home of Milo Alcott, writer, philosopher, invalid, and man of wealth. Because of a misunderstanding, Bob, his doctor, and Daisy, a maid, antagonized Milo's ghost by living in the house where Milo was to spend eternal solitude.

This annual production sponsored by the two clubs, represented weeks of practice and set designing plus good experience in dramatics.

# PARTIES ARE CASUAL OR DRESSY

**Freshman Stand-Up stunt.** Jackie Meyers, Neila Hummel, Carol Markevicus, Mary Gouwens, Margaret Lee.

**Purple X open house** after a football game.

There is nothing Thorntonites like better than social events. These include dress-up dances, informal dances, and parties of all types.

The Girls Club dance is one of the biggest of the year. It is for this affair that girls have a chance to ask their favorite fellas.

The PX openhouse, informal dance sponsored by Purple X Committee, is held after every home football and basketball game. Purpose is to provide a place for students to have fun. One may dance, chat with friends, or just sit and sip a coke.

The Freshman Stand-up is a party sponsored by the Girls Club for all freshman girls. After a traditional hand-shaking mixer in the gym, they are entertained by skits and a style show.

**Girls Club dance**, "The King and I".

**Pep Stunt**—Joan Baldwin, Sharon Gross, Gene Beier, and Don Pebworth put on their skit.

**Cloakroom**—Dave Walvoord, Jackie Mottinger, Diane Peterson, John Hauter.

**Dance**—Party-goers admire the decorations at "Autumn Rhapsody."

# HOMECOMERS CELEBRATE

The most thrilling time of the year is Homecoming weekend. November 2 and 3 of this year was no exception.

Homecoming traditionally starts off with an outdoor all-school pep assembly on the football field. That night is the game, followed by an open house, similar to a Purple X dance.

Saturday night is the big dance, highlight of the weekend. Everyone comes dressed in her prettiest and his handsomest to dance to a good band and to be admirably entertained by his classmates. Climax of the evening is the crowning of the Homecoming king and queen, who are chosen by students attending the dance. Last year's king and queen are on hand to do the honors of crowning and turning over the reign to the new king and queen. A ballet dance honoring the new royalty is performed.

A wonderful weekend, wasn't it?

**Homecoming Court**—Woody Godman, Joan Edwards, Jim Yavenue, Sharon Gross, Paul Golaszewski, king, Barbara Boudreau, queen, Flora Lee Jones, Bill White, Helen Edelhofer, Ron Alwin.

**Gym Jam**—Lots of players, lots of dancers, lots of kibitzers attended the KIP fun night.

# GYM JAM, PLAY NITE BRING UNDERSTANDING

**Gym Jam**—Ping pong tables on the mezzanine were popular too. Marilyn Rush and Jean Schroeder return the ball.

**Anna Mae Diekelman** and her dad try shuffleboard.

**Miss Leonard** gets a workout while Miss Begnoche looks on.

Two Gym Jams, sponsored by KIP, are activities all Thorntonites look forward to. Sports and games are planned for everyone. Some of the activities include swimming, shuffleboard, volleyball, ping-pong, and dancing, plus surprise booths and refreshments.

GAA Play Night is for girls to entertain their dads. Fathers who used to be quite the athletes discover that they have to work pretty hard to keep up with their teen-age daughters. Even the girls physical ed instructors find that their students can be pretty rigorous. With all the facilities of the gym at their command, everyone has a good time.

THORNTON
JUNIOR COLLEGE LIBRARY

**Junior Red Cross**—Carolin Patten shows a stocking from the JRC project for crippled children.

**Girls Club**—Mary Rowe, Rose Gaudio, and Carol Strobo had high sales in the annual Christmas tag project.

Everybody knows that Thornton has good times all the year round, but much of it is concentrated about the holiday season. Many groups like Junior Red Cross, Library Club, Girls Club, and Home Economics classes provide students and faculty with extra fun then. Help for others less fortunate than they is often a major part of their activity.

Junior Red Cross collected toys to fill stockings for hospitalized children. Girls Club Christmas tag sales netted money for their welfare fund. Library assistants put on a Christmas party which was very successful, and Home Ec students in November cooked a Thanksgiving dinner for themselves. They served turkey and all the trimmings.

**Library Club**—Lujean Millspaugh and Barbara Enright distribute packages at the Christmas party.

# HOLIDAYS ARE TIME FOR FUN

**Thanksgiving Dinner**—Homemakers serve themselves. Seated: Ruby Cosley, Barbara Vinyard, Carol Ayers, Miss Reed, Barbara Niemann, Donna Schindler, Vicki Steinhauer, Judi Wolf, Gloria Marlowe, Jeannene Middleton. Serving: Linola Swedler, Virginia Rice, Betty Lou Blue.

**Christmas Carols**—Madrigal Singers in quaint costumes roamed the halls, singing carols, on the last day of school. John Berke, Polly Morton.

# MOTHERS AND DADS ARE OFTEN INCLUDED AT PARTIES

Moms and dads are included in many of the activities at Thornton. A few of these are GAA Play Night, the Girls Club Dad-Daughter and Mother-Daughter banquets, the Boys Club Father-Son Stag.

The Stag is a night for fellas and their dads. This is one evening when they can be on their own together. They have good food, listen to speeches, sing songs, tell jokes, put on skits, and tour the shops to check up on the latest equipment.

Everyone eagerly awaits the evening of the Mother-Daughter banquet. This is the time when that exciting moment arrives, the crowning of the May Queen. The 1956 queen was Flora Lee Jones; her maid of honor was Barbara Boudreau.

**Father-Son Stag**—Mr. Zevenhouse shows dads some of the work being done in the wood shops.

**May Queen Court**—Row 1: Marlene Gouwens, Flora Lee Jones, Queen, Barbara Boudreau, Maid of Honor. Row 2: Nancy Karsten, Helen Edelhofer, Joan Edwards, Carolyn Cory, Janet Williams. Row 3: Mabra Hebert, Sharon Gross, Marla Perkins, Martha Perry.

**Medical Arts Club**—Toys for hospitalized children were collected at the club Christmas party.

**KIP-South Suburban Conference**—Ron Alwin, president of Thornton's student council, addresses the delegates.

# EVERY CLUB HAS ITS PROJECTS

**Boys Club**—Mr. Umbaugh, dean of boys, talks to a group of freshmen.

Projects, money-making and otherwise, are an important part of every club program. The Girls Club sold aluminum oven-saver trays and serving trays to earn money for their welfare and scholarship funds. Both items turned out to be very popular and the sale quite successful. Medical Arts Club members made for hospitalized children soft building blocks stuffed with discarded nylons and covered with yarn-sewed oilcloth squares.

Boys Club group meetings for freshmen helped orient boys to Thornton policies and traditions. This year was Thornton's turn to entertain the delegates to the South Suburban Student Council conference. A tour of the school, discussion meetings, and food were on the program.

**Future Teachers of America**—Three panel members conduct a discussion at an FTA meeting. Carol Owen, Asenath Dixon, Jean Vogler.

# FTA, Hi-C, JRC, UN ENLARGE INTERESTS

At Thornton, the local chapter of American Junior Red Cross provides service for veterans, disaster victims, the underprivileged, and others.

For students interested in teaching, there is the Thornton chapter of Future Teachers of America, giving encouragement in their chosen field.

Students interested in world affairs will find within Thornton's building, the United Nations Club. Its purpose—to help students get better acquainted with nations—is accomplished with pen pals, speakers, and movies.

To round out the student's character, there is Thornton's High-Crusaders, or Hi-C Club. It presents religion and Christian fellowship to TTHS teenagers. Meetings are enthusiastic and large.

**Girls Club**—Beverly Hand, Pat Licina, and Diane Thornton conduct an orientation meeting for a group of freshmen.

**Hi-Crusaders**—Dawn Voelker leads the singing at one of the weekly Hi-C meetings.

**Junior Red Cross**—Four officers discuss plans: Tom Rossing, vice-president; Stan Seiner, treasurer; Carolin Patten, secretary; Janet Williams, president.

Dean James L. Beck, acting superintendent, addresses the Suburban Girls Club Conference at Thornton.

Straight A students are honored each semester by the Girls Club on Scholarship Day. On Loyalty Day, members renew their pledge to club and school.

This year was Thornton's turn to entertain the annual Suburban Girls Club Conference. The meeting, March 23, began with a brunch, moved to a general session in the auditorium, and broke up into small discussion groups all over the building. After lunch and more meetings, another general session summarized the day's discussions on the conference theme—"No Hands But Ours." Approximately 800 girls, faculty sponsors, and deans from 41 suburban high schools attended.

**Faculty luncheon** by the Homemaking class. Host and hostess, Patt Robertson and Donna Schindler entertain Mr. Valbert, Miss Lieb, Mr. Brookley, Miss Reed, Mr. Umbaugh, and Miss Washburn. Barbara Niemann, Jeannene Middleton, and Judi Wolf serve.

# EXHIBITS SHOW WHAT WE CAN DO

**Jewelry exhibit**—Lynn Rachuna, Joan Baldwin, and Nadine Rakich.

Some exhibits are to eat and others are to show. Girls in Thornton's foods classes specialize in the first. Faculty members always welcome invitations from Miss Reed's classes because they know there will be good food and interesting conversation.

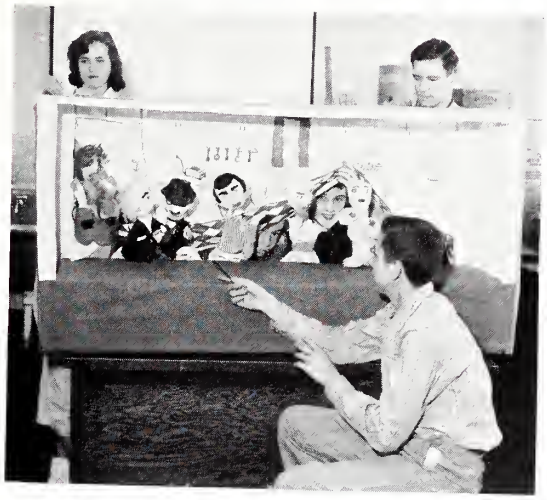
When the Homemaking Department puts on a style show and tea for the mothers, both clothing and foods classes show what they can do.

Art students know what it takes to make a good exhibit, too. Jewelry classes used the case on the main corridor to show their work. Art I puppets showed up at several club meetings.

Senior Biology students have produced some outstanding notebooks over the years. Mr. Brookley has some of the best as a permanent exhibit.

**Style Show**—Karen Christiansen and Sharon Davis show what they will wear at the Home Ec style show.

**Biology Notebooks**—Geri Nielsen, Penny Meachum, and Sandra Baumgartner, with Mr. Brookley, admire Senior Biology notebooks



**Puppet Show**—Bob Farr directs Margaret Lee, Lucille Drenth, and John Rozek as they rehearse the puppet show in Art I class.

"Knowledge is Power"—that is the motto of the KIP, Thornton's student council. KIP is composed of two main bodies, the board and the forum. The board is made up of the major officers plus two freshmen, three sophomores, four juniors and five seniors. Both officers and board members are elected by students. The board is presided over by the president and meets three times a week. The forum meets whenever there is business to be brought before it. The vice-president presides. Forum members are elected in the fall of the year from their respective homerooms. Their job is to act on any business set before them and to relay these discussions to their homerooms.

This year under the leadership of President Ron Alwin, KIP has undertaken some new projects as well as revived some old ones.

One of the many services performed by the KIP is the Lost and Found. Two members of the board are chosen each month to be responsible for seeing that the Lost and Found office is open before and after school.

The Gym Jam, started to provide a place for fun and exercise on weekends when there are no other activities, has become one of the most popular affairs at Thornton. For twenty-five cents a student can swim, play ping-pong, dance, play shuffleboard or volleyball.

Homecoming is one of KIP's biggest projects. It all starts on Friday with a big pep assembly on the football field. The game and open house are Friday night. Saturday night is the dress-up dance in the gym.

In addition to these projects, KIP has decided to revive the student directory, a printed alphabetical listing of all students, their homerooms, addresses, and telephone numbers.

Other projects for the year include student identification cards, revision of the KIP constitution, and revision of the point system.

# PURPLE X

Purple X Committee was organized in the fall of 1938 by Mr. O. F. Umbaugh to provide a student activity after football games. Purple X members are chosen by faculty members of the committee, guided by recommendations of the student members. Meetings are the first Wednesday of the month; anyone who wishes to attend may do so as a non-voting guest.

Dances sponsored by the committee are planned after all home football and basketball games. The dances are open only to Thornton and TJC students. However, any parents who wish to attend are admitted free and are always welcome.

Purple X supports several other school organizations which have little or no means of raising funds, such as National Honor Society and Junior Red Cross. The committee sponsors assemblies and helps wherever it can.

Bob Doster, vice-chairman; Chuck Kaiser, treasurer; Janet Williams, secretary; Gene Beier, chairman.

# BOYS CLUB ACTIVITIES

Boys Club is an organization composed of all high school boys enrolled in Thornton Township High School. This club has for its main purposes to assist every boy in getting profit and pleasure out of his high school life and to elevate the moral tone of both the student body and of the individual, and to render services to the high school.

Some of the activities of the club are social gatherings such as the Father-Son Stag and the Mother-Son Banquet, plus personal guidance projects, financial projects, educational programs, home calls, ushering, Bus Guards, Hall Guards, and Campus Patrol.

Campus Patrol members check the school grounds for any students who might be playing hookey, or who are smoking on campus. They also check cars for Thornton stickers and illegal parking.

# HALL GUARDS

Hall Guards of Thornton have the responsibility of keeping the campus and corridors clean, of maintaining order, of preventing students from loitering in the halls, of being loyal to the school at all times, of promoting safety, and of assisting visitors.

Members of the Hall Guard Organization pledge themselves to perform their duties with honesty and courtesy, dignity, and loyalty to Thornton.

Their job is a difficult one for students to perform. Most of them are conscientious about their duties and privileges.

# BUS GUARDS

Bus Guards are appointed by the dean of boys in cooperation with the commander-in-chief of the Hall Guard Organization and with the board of directors of the Boys Club.

Each community such as Homewood or Harvey has a bus captain who assigns two bus guards to each bus. These guards are assigned to maintain order at all times in the bus, to promote safety among students on the bus to and from school each day. They are to keep all of the students from smoking on the bus and to insist that students act in an orderly and adult manner.

**Major Officers**

Row 1: Helen Edelhofer, secretary; Marlene Gouwens, president; Viv Kajdy, speaker of council. Row 2: Virginia Walenga, speaker of division chairman; Sandy Van Swol, vice-pesident; Mabra Hebert, treasurer.

# GIRLS CLUBS

Every girl at Thornton is eligible to belong to the Girls Club and almost all of them do. A wide range of social, welfare, and guidance activities gives everybody a chance to show her talents. Because the membership is so large, there are committees and groups within the main organization to give willing workers a chance.

The council is made up of representatives from home rooms. Their chairman becomes one of the major officers. Division chairmen are also home room representatives and their speaker is likewise a major officer.

The board is an elected group of six seniors, five juniors, four sophomores, and three freshmen. From their number come two more major officers—secretary and treasurer.

**Girls Club Board**

# SERVICE COMMITTEES

President of the club, a senior, and the vice-president, a junior, are chosen by the council and division chairmen, otherwise known as the minor officers—some two hundred of them.

Among these minor officers are chairmen of various committees. Activity points and service awards encourage members to participate in school activities. Parties like the ones for freshmen, for dads and moms, and for faculty keep chairmen busy. Welfare groups, Big Sisters, Refreshment Crew, Marshals, and money projects keep every girl just as busy as she wants to be.

# WEEKLY NEWSPAPER

Publishing a newspaper is no easy task. The staff has to learn how to write feature stories and news stories, how to compute heads and determine column inches, and what is good ad copy.

The job of reporting may be hectic, but it is enjoyable. The staff learn essentials of journalistic writing and how to get facts for a story. They develop a sense of responsibility and find out that tact can get them farther faster.

Martin Houk, editor-in-chief; Don Schnake, co-editor; Kathy Michalski, business manager.

# YEARBOOK STAFF

A yearbook is so much more than the book of pictures so eagerly scanned on publication day in June. It is really a staff of enthusiastic seniors who work together to sort subscription stubs, return picture proofs, solicit advertising, write copy, proofread galleys. They type endlessly and they alphabetize enough ident slips to make their eyes jump, getting the index ready.

The staff is responsible for the outcome of the book. A capable advertising manager, willing advertisers, and student selling ability bring in the money needed to supplement subscriber sales. Long range planning, with the adviser as coordinator, plus an enthusiastic student body, give the staff the incentive to work hard.

The freshman group are not selected until the second semester, but the others are chosen in the fall. Juniors and seniors have more activities than the underclassmen. Officers from the two classes act as a committee to plan the prom. Class rings and commencement announcements are selected by class vote, but senators report to their own groups the decisions of the senate.

German Club activities are planned for students enrolled in German classes at Thornton. A meeting each month for the whole group plus committee and council meetings more often, keep the members interested. Parties with games and refreshments are planned by the program group.

Footlighters is a TTHS club organized to interest Thorntonites in acting and in other phases of stage work. Students learn make-up techniques, camera operation, lighting, and scenery construction. They get interesting and valuable ideas for acting and technical careers.

# SPANISH, LATIN CLUBS

Spanish Club is comprised of students of each class, meeting separately as class groups rather than as a whole club. Representatives from these classes act as leaders of the meetings. Groups take field trips to museums, play Spanish games, and celebrate Christmas in Spanish fashion.

Latin Club is provided for students especially interested in that language. Class representatives act as leaders for meetings of their own groups. Several times a year members present skits, play games, and sing songs in Latin. A council acts as coordinator for these groups.

At Christmas time the Madrigals don their colorful traditional carolers' costumes and serenade the school on the last afternoon before the holiday vacation begins.

On the Sunday afternoon before the beginning of Christmas vacation, the Madrigal Singers, as part of the Mixed Chorus, join the other choral groups in the annual Christmas concert, sponsored by the Parent-Teachers Association.

This concert is open to the public, but the next morning, at an all-school assembly, these same groups present the highlights of the concert, for the other students of TTHS.

Their next big appearance is with the other choral groups at the Spring Festival, and their final appearance is at Commencement time.

# FUTURE TEACHERS

To interest and encourage students who plan to enter the teaching profession is the purpose of Thornton's chapter of FTA, Future Teachers of America.

Anyone peeking into Room 111 on the third Tuesday of each month, found this group of girls and boys listening to one of many speakers who are already professionals in the field. Mr. Petty and Mr. Watkins sponsored the group.

# FOOTBALL

Thornton started the 1957 season by whipping the Morgan Park Mustangs, champions of the Red Division of the Chicago Public League, 13 to 12. Paul Jackson's point after touchdown won the game for Thornton.

Following the Morgan Park win, the Wildcats were subdued by Elgin in a hard-fought battle. Picking themselves up off the ground, the Cats trounced Argo 20-12 the following week. Then they traveled to Blue Island and beat last year's champions 13-7. Moving on to Lockport and clubbing that team 13-0, the Thornton eleven met Bloom at Harvey. During a bitterly fought contest in which the Trojans' strong offense was pitted against the Wildcats' strong defense, the Cats came out on top, 14-0.

Paul Golaszewski pitches back to Jackson during the Bloom game.

After Bloom, Thornton rolled over Kankakee 34-12, beat Leyden 27-0, and trounced Fractional 26-0. As a climax to the season, nine men got all-conference rating on a twenty-two man squad. Named by coaches of the league, they were quarterback Paul Golaszewski, fullback Ron Zapchenk, halfback Paul Jackson, guard Spencer Freiwald, center Bill White, ends Ken DeGraff and Keith Julle, and tackles Jerry Van Dyke and Bill Mason.

The sophomore team had a fair season, winning four, dropping four, and tying one. The Kits beat Morgan Park, Argo, Blue Island, and Fractional, tied Lockport, and lost to Elgin, Bloom, Kankakee, and Leyden. They lost a fine halfback when Erv Robinson was promoted to the varsity.

The freshmen had an excellent season, finishing with a record of four, one, and one. Their only loss was to Fractional by one point. They beat Blue Island, Leyden, Bloom, Lockport, and Argo to show plenty of promise as sophomores.

# VARSITY BASKETBALL

At the beginning of Thornton's varsity basketball season, almost everyone thought that the Wildcats would be a door mat for the taller teams in the South Suburban League. Everyone, that is, but Thornton fans. Coach Tom Nisbet took a relatively small and inexperienced team and welded it into a strong, smoothly functioning unit. Led by the fine play of senior Rich Brown, Thornton's Wildcats finished second in the South Suburban League race and among the top sixty-four teams in the state by winning their own regional tournament. Worthy of special mention are Paul Jackson for his outstanding work on defense, Ed Radtke for his rebounding, and Jim Yavenue for his clutch playing.

Thornton's schedule included some of the toughest teams in the state. These were two games each with Elgin, the state's top ranked team, and Bloom, the state's sixth ranked team. In the second game with Elgin, Thornton was terrific though defeated. Thornton held to a 32-32 halftime tie only to fade in the second half as several Wildcats fouled out.

In the regional tournament, the Wildcats rolled up a gym record that will be on the record books for a long time. Playing against Morgan Park Military Academy, Thornton scored 122 points to win 122-40. The Wildcats won the regional tournament by beating Carl Sandburg and Blue Island.

# SOPHOMORE SEASON

Thornton's basketball Wildkits had a fine season, tying Bloom for the championship of the South Suburban League. Thornton gained a share of the championship by beating Bloom on their own floor in the final game of the season.

One of the highlights of the year was the victory over Leyden in February. Leyden was leading 31-30, with one second remaining in the game. It was Thornton's ball out of bounds. Jim Ring threw the ball in to Bart Pettice, who shot from half court. The basket was good!

# FRESHMAN SEASON

Thornton's freshman basketball team had a very unusual season in 1957. Although eight wins and four defeats were not out of the ordinary, yet to have five of the eight won by one point and only one lost by one point was remarkable. The Wildkits beat Blue Island, Kankakee, and Bloom twice during the season: lost one and won one from Argo and Leyden; and lost two games to Fractional. The Kits were strong during the first half of the season but seemed to fade near the end.

Thornton's wrestling squad came up with a record of 7 wins and 7 losses this year. For the past five years the varsity grapplers have taken either a first, second, or third in the State meet. Four award winners returning from last year were John Le Pore, Manuel Fernandez, Willie Neal, and Al Ross.

The wrestling squad, under guidance of Coach Tec Czech, worked hard to give Thornton a record of first place in the Quadrangular meet at Reavis, first place in the Sectional meet, and third in the South Suburban meet. The team captured third place in the State meet. Jerry Van Dyck, 175 pounds, and Al Ross, 120, took a fourth place. John Le Pore, 133, came in third and Ken Moore, heavyweight, came in second.

Thornton has had eleven first place state champions in the past five years. That's a record any school can be proud of.

The Frosh-Soph wrestling squad compiled a record of 9 wins and 5 losses for this year. Under the guidance of their coach, Jack Robinson, the team scored a total of 381 points to their opponents' 257 points. For the past seven years, Coach Robinson's teams hold a record of 65 wins and 13 losses.

The team did well in individual scoring too. There were 16 freshman awards and 13 sophomore ones given out this year.

# THORNTON'S

Thornton's varsity swimming team earned their eleventh consecutive South Suburban League championship this year. The victory was decisive with Thornton, 81; Fractional, 38½; Leyden, 27; Lockport, 25; and Argo, 0. Bloom, Kankakee, and Blue Island do not participate. The champions had a season record of nine wins and two losses and won the conference meet. Coach Froschauer's team was helped considerably by two outstanding sophomores, Richard Sella and Bill Jones. Among ten seniors, five juniors, and four sophomores, these two were high scorers.

The Mermen took Fractional twice by identical scores of 55-22. Thornton also defeated Leyden 64-13; Argo, 63-7; Hammond, 59-18; and Elgin, 51-26. One meet was lost to Oak Park, 49-29; and one to Fenger, 43-34.

# MERMEN

Thornton's fighting frosh-soph team ended their season by defeating Leyden, 68-9; Argo, 68-9; Fractional, 66-11; Morton, 52-25; Riverside, 61-15; Fenger, 60-17; Lockport, 61½-15½; and Fractional, 55-22. One meet was lost to Oak Park, 32-45.

During this season, which lasts from December first to March first, Mel De Graff's boys had startling success. Not satisfied with eight wins and only one loss, they went on to win the conference meet for the fourth straight year since frosh-soph participation first began in 1954. The conference league scores were Thornton, 87; Lockport, 35; Fractional, 24; Leyden, 24; and Argo, 2. Larry Assmussen, Jim Fielding, and Robbie Ring were outstanding scorers throughout the season.

# INTRAMURALS

Intramural sports provide a whole school year of boys' activities. About 350 participated in the sports this year, and there were thirty-six teams. Some homerooms had enough interested boys to make up a whole team. Other homerooms went together to form a team. Meets were held after school from 3:30 to 5:00. Emblems were given to the first, second, and third place winners in each of the sports throughout the season.

In the fall, boys began their play with basketball. Two freshman leagues, one sophomore league, and one junior-senior league competed. Four games were played each night. A trophy was awarded to each boy of the winning team.

By the time November came around, table tennis, shuffleboard, checkers, and chess teams had been formed. Competition in these activities lasted until the end of February.

This year Thornton won the South Suburban chess championship over New Trier, Leyden, Proviso, Joliet, Evanston, Oak Park, and Bloom.

Four volleyball leagues of about fifty boys each were organized in March. This sport proved to be one of the best liked of the year.

By spring the teams for tennis, golf, softball, and horseshoes had been made. These four activities interested about seventy-five boys.

**Basketball**—Soph champs: Row 1: Chuck Buttle. Row 2: Norb Gebhardt, Robert Houts. Row 3: George Roberts, Pat Blakemore, Tom Hough.

# GIRLS INTRAMURALS

**Badminton**—Sandra Sheahan, Linda Howell, Linda Bark, Kay Lawrence.

Girls Athletic Association divides its year into four seasons. The first includes badminton, recreational swimming, and modern dance. Second season brings volleyball, synchronized swimming, and both beginning and advanced modern dance. The third season provides life-saving, basketball, and modern dance. Fourth season includes a swim meet, tennis, and modern dance.

These activities are governed by a board of three sophomores, four juniors, and five senior girls. Board members supervise activities with the help of the gym teachers. Awards are given at the end of each season.

Main purposes of the organization are to give girls with athletic ability an opportunity to participate with other girls who have skills in sports, to develop the idea of sportsmanship, and to give the girls lasting friendships.

GAA's special events are a play night for parents, the basketball banquet, and a picnic during the last week of school. Miss Marguerite Begnoche and Mrs. Mable Beier are in charge of the group, but all members of the Girls Physical Education faculty assist the sponsors.

Ushers could easily be found, for they wore bright yellow sweat shirts with black lettering across the front.

# LETTERMEN'S CLUB

Lettermen's Club is composed of athletes who have won varsity letters in Thornton sports. Their main business activity is the sale of refreshments at home basketball games. Proceeds are used for the annual banquet and for athletic equipment.

**Twirlers**

Rosetta Dorsey, Bonnie Steere, Sandy Bergman, Tom Brand, Judy Zesch, Mary Vinson, Carole Berner.

# CHEERLEADERS

T.T.H.S.'s two cheerleading corps, varsity and junior varsity, kept student spirits high during the whole season. That meant football and basketball—sixteen home games for each team plus tournaments and away games. Then there were the pep assemblies also.

They practiced every day ninth period, in the rhythms room, under the supervision of Miss Connie Leonard. This year they changed their cheerleading patterns so as to work in acrobatics like flips, hand springs, and cart wheels.

# THORNTON'S SUPERINTENDENT

Because of ill health, Dr. Ernest M. Hanson, Thornton's superintendent since 1952, offered his resignation in March. Dean James L. Beck of Thornton Junior College was appointed superintendent for the rest of the semester.

During these five years, Dr. Hanson and the Board of Education have modernized the school, made the classes smaller in size, and increased the faculty. Four successful referendums have raised the education fund, authorized purchase of land for a second high school, and made possible plans for a new classroom wing and an industrial arts building on the old campus.

Dr. Ernest M. Hanson, Superintendent, Thornton Township High School and Thornton Junior College

# BOARD OF EDUCATION

Thornton's Board of Education is faced with the tremendous task of providing adequate school facilities for a rapidly expanding population. They began by employing an impartial survey committee from the University of Illinois to confirm present needs of the school district and to estimate future ones.

Then they laid plans for a second high school by purchase of ground, consultation with architects, and a bond issue vote to provide money. Included in the plans were not only provisions for a second high school but also for rejuvenation of the present plant and construction of an Industrial Arts building.

He has a bachelor of arts degree from DePauw University and a master of science degree from Indiana University.

# SCHOOL COUNSEL

Mr. Burton Evans and Mr. A. F. Waldschmidt are two men who give much of their time and energies to the problems that come with the office of counsel. Mr. Evans is the school attorney and Mr. Waldschmidt is the township treasurer.

Mr. A. F. Waldschmidt, Mr. Burton Evans, School Counsel.

# FACULTY ASSOC.

Board and officers of the Faculty Association represent its members in school affairs. The organization is made up of all the faculty except the Superintendent. Among the purposes of the association are to promote within the teaching group the highest type of professional practices and attitudes, and to strive for better teachers and better salaries.

Among the social and recreational activities of the group are a bowling league, an annual picnic in the fall and dinner in the spring, weekly swim nights, and occasional fun nights.

# PARENTS, TEACHERS

Thornton's Parent-Teachers Association has as its main purpose "To Have and Create Good Feeling between Parent and Teacher." There are monthly meetings, which include an annual open house for parents to visit with the teachers of their boys and girls. The organization is affiliated with state and national PTA's.

Locally the group sponsors the fund-raising Hi-Jinx Carnival, the Christmas Concert provided by the school choral groups, and student helps in the form of scholarships and student aid. They also make an annual gift to the school. When the Board of Education plans major projects, like the new school, their help is invaluable.

School records and program cards are carefully kept on file in the office of the registrar. Among their many duties is the distribution of absentee sheets, announcements, and the morning mail.

Checking attendance and eligibility for athletics, receiving visitors for Dr. Hanson, and operating the switchboard belong to them too.

Bookkeeping for the high school, the junior college, and all their organizations is the job of the business office.

# MAINTENANCE, CAFETERIA

It takes forty men and women on the maintenance staff, including a carpenter and an electrician, to keep the buildings clean, neat, and in good repair. Central office for keeping track of everything, moving equipment about, and sending out all sorts of work orders is the Building Superintendent's office.

Four lunch periods were needed this year to take care of Thornton's big population. That meant eating at 10:30 for many of them. Women of the cafeteria staff had plenty to do with cooking, baking, salad making, serving, and clean-up. Besides that, they served banquets and kept the coffee pot hot for faculty breaks.

**Building and Grounds**

The

1957 THORNTONITE

was printed by

OFFICE—919 N. Michigan Ave., Chicago, Illinois
PLANT—307 First St., Dixon, Illinois

are from

Perhaps it started with Eve—and humanity was thrust from the Garden of Eden because of it.

Certainly the men of the Renaissance had it—Pasteur had it—Einstein had it.

Call it an itch, a restlessness, a divine afflatus. Point or waggle your finger at it, with talk of Prying Peters or dead cats. Blame it on genes, a bracing climate, an extra convolution of the brain.

But without it—nothing.

Without it, mothers dying of puerperal fever and men living in caves—without it, robotism and stagnation and the dead end.

**Always the American people have had it—a curiosity which will not be satisfied with dreams or appearances, but must probe until the lands are charted, the germ isolated, the truth exposed.**

May they have it as long as there is an America—for if it ever goes, America will not matter.

I was honorably asked by the PX committee,
To try to write a poem witty,
To explain to students in doubt,
Just what the PX's all about.
It's not a fraternity, sorority or club,
It's a social committee, but here's the rub,
After every home game there's a PX dance
At which members don't get a chance,
To do the things they'd like to do,
Cause they're workin' their fool heads off for you!
So when you walk through the halls look with respect
At the PX committee members elect,
For they donate their time and energy too,
Making the PX's possible for you.

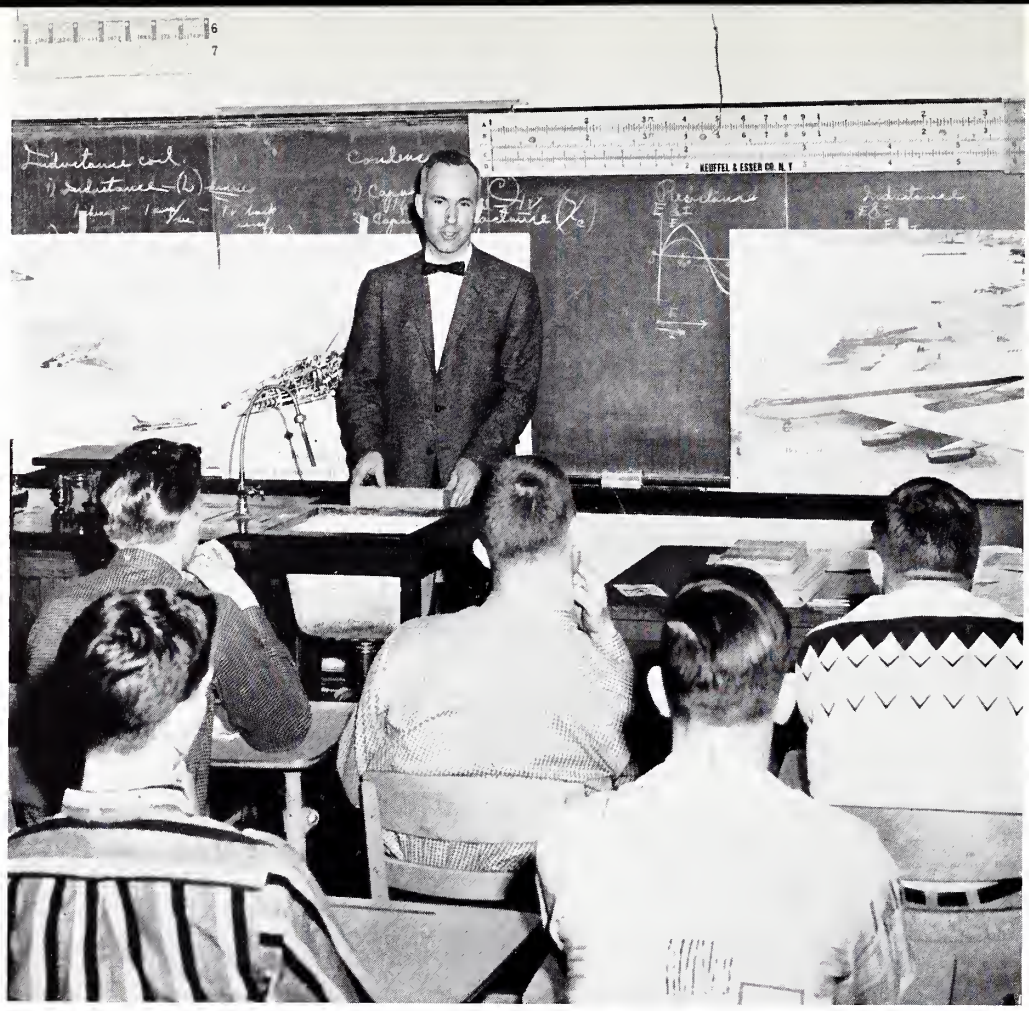
# YEAR'S END



**Mr. R. W. Laing,** of the Ford Aeronautical Engine Division, discusses at Careers Day the opportunities for engineers in the field of aeronautics.

# CAREERS DAY, HONOR BANQUETS

**Mrs. Babe Robinson Schwartz,** Thornton's contribution to Olympic runners, talks to the Girls Athletic Association banquet as Peggy Connor, Miss Begnoche, Carolyn Hupe, Joyce Schmidt, Mrs. Beier, and Rose Belmonti listen.

Thornton provides many year's end activities for its students.

On the serious side is Careers Day, when experts from the business, industrial, and professional worlds come to tell seniors and juniors what lies ahead in the careers they plan to enter.

Banquets honor those who have worked faithfully during the year. Boys Club members honor their mothers. After the dinner and speaker, a tour of the shops follows. Mothers may not understand all they see, but they enjoy themselves.

Girls Athletic Association honors its award winners with a banquet at which a famous woman athlete is the speaker. This time it was Mrs. Babe Robinson Schwartz, Thornton grad and Olympic champion runner.

Lettermen in athletic competition are honored at the annual Lettermen's Banquet. Senior athletes may invite their fathers as special guests. Mr. John Simmons, coach at the University of Missouri, was the speaker this year.

# BASEBALL, A POPULAR SPRING SPORT

**Is he out?** Blue Island player comes in as Thornton's baseman reaches for the ball.

Coach Blaha's varsity baseball squad had a fairly successful season. They started off with a win but lost the next two games. The team had five more league games but lost only one. Thornton finished second in the South Suburban League, behind Bloom.

In tournament play the team beat Crete-Monee, but lost to Bloom, a defeat which eliminated them from going on to the state tournament.

Among the returning lettermen this year were the seniors Ron Kuykendall, catcher; Richard Hayes, shortstop; and Ed Behm, pitcher and outfielder. There were also the sophomores Paul Jackson, Ron Zapchenk, outfielders, and Jerry Boudreau, pitcher. Other players on the team were Darryl Clift, pitcher and outfielder; Dickie Ducett, formerly of New Orleans, outfielder; Walt Grayson, pitcher and infielder; Art Flores, infielder; Bill West, first base and catcher; Bill Havansek, pitcher and outfielder; Ed Bednar, pitcher and outfielder; Milt Tucker, pitcher and infielder; Vern Church, pitcher, Gene Silvey, catcher; and Robin Pebworth, catcher.

The baseball team played all their home games on Babe Ruth Field, at 150th Street and Myrtle.

The sophomores also had a successful season. They finished with a seven-win, three-lost record.

The team took third in the District although none from Thornton qualified for State. They also took third in the Conference behind Bloom and Blue Island, which finished first and second.

Returning lettermen were Don Cooley, miler and mile relay; Manual Fernandez, who saw little action because of an injury; Paul Golaszewski, discus; John Hebert, half miler and mile relay; Ken Haddon, dashman and co-captain; Keith Julle, half miler and co-captain; and Don Strassenberg, high jump and broad jump.

Returning varsity lettermen were Captain John Cherry, Jim Vinke, Jerry VanKley, Fred Koester, and David Cornwall. John Cherry and Jim Vinke qualified for State finals.

# GOLF

Coach Frank Froschauer's Thornton Teemen had a very successful 1957 season. Three returning lettermen, Jim Benner, Bill Miller, and Dave Ring, all seniors, provided a nucleus for this year's team. Two other seniors, Alan Kaur and Ted Kagy, and two juniors, John Corson and Bill Hambric, made major contributions to a highly successful season. Thornton made a season record of 8 wins, 2 losses, and 2 ties in dual competition. In the district tournament at the Timber Trails Country Club, Thornton could do no better than seventh place. Dave Ring shot 80, failing to qualify for the state finals by two strokes.

The Teemen closed the season by capturing the South Suburban League meet over the south course of Silver Lake Country Club. The team total was 321, good enough to beat Lockport by four strokes. Scores were as follows: Bill Hambric, 40-39—79; Alan Kaur, 41-39—80; Ted Kagy, 45-36—81; Bill Miller, 44-38—82. This year's coup was the first South Suburban golf title for Thornton since golf was resumed in the South Suburban League in 1953.

# FACULTY TEA, M-D BANQUET, THE PROM

**Sandy Seeder and Sandy Smith** (Maid of Honor) congratulate Judy Duckworth, the 1957 May Queen.

Girls Club Faculty Tea gave students and teachers a chance to become better acquainted.

"My Fair Lady" was the theme of the Mother-Daughter Banquet. Speeches and entertainment followed the meal but the highlight was the crowning of the May Queen. Chosen from the court of twelve junior girls, her identity was kept secret until the big moment. The court was selected by vote of all girls in school; the queen by vote of junior girls.

Everyone enjoyed dancing to the music of Fred Dale and his orchestra under a Pink Carousel on the night of the Junior-Senior Prom. Even rain failed to dampen the success of the party.

# HONORS, PARTIES, PLAYS

On Honors Day, apt students are given awards and scholarships for their services or scholastic abilities. Loyal juniors and seniors are invited to the National Honor Society. Outstanding sports players are cited for their contributions to the school.

A Flag Day Assembly, honoring our national banner, "Old Glory", is held every Flag Day. At this assembly, seniors wear their caps and gowns for the first time.

Every year the seniors give a class play; the profits from this venture are used to purchase the senior gift to the school. This year's seniors played the roles in a production entitled "Death Takes A Holiday."

The Frosh-Soph class party is given every year, so that the freshmen and sophomores may have a final fling together. This year's theme was "Jamaica Farewell." The entertainment consisted of calypso dances, songs, and Cuban music by the Thorntoneers.

# SCHOLASTIC HONORS

Each spring the twenty-five students with the highest grade averages in the junior class are selected as graduation guides. These juniors don caps and gowns, line the path of the seniors on Flag Day, and serve as ushers at the commencement exercises, showing guests to their proper seats, and distributing programs.

The two junior girls with the top scholastic records act as special guides, wearing white caps and gowns, these girls lead the seniors in the processional on Honors Day and at Commencement. With the two faculty marshals, they guide the seniors to their seats. They also help give the diplomas.

Immediately after the Honors Day assembly, old National Honor Society members give a tea to honor the newly elected junior and senior members and their parents. The old senior members, distinguished by their gold tassels, act as hosts. They introduce themselves to the new members and their parents, and acquaint the new members with the activities of the society.
